

## Web quote for the creation of the company's landing page

### \_\_\_\_\_ identification \_\_\_\_\_.

It is a pleasure to welcome you as our customers and appreciate your preference for creating your website with us. Below, we will detail in depth all the aspects that entail provision of our services for the preparation of the web product we provide.

### Design

- An analysis of the company's logo is carried out to provide an opinion of redesign if necessary. If such a logo does not exist, the client will be proposed to design one. \* **This point changes the final price.**
- Page design will be created in Figma, both the desktop and mobile version according to the client specifications, to later show it in presentation mode. If the client doesn't know with certainty of what they want for the site, the design will be presented with proposals made by us. This presentation will be delivered to the client together with the delivery of the landing page.
- The option to choose the language of the application will be provided, if the language is within the following list: **Spanish, English y Portuguese**. If the client wish, the application can be multi-language. \* **This point changes the final price.**
- The landing page does not have limit of screens, but in case of exceeding 5 screens a cost will be added. \* **This point changes the final price.**

### Development

- To start with the development of the site, the client must provide us with all information that is specified in the document that will be added to this document, in addition to any extra information that the client creates convenient to add.
- It will be recommended to have the following sections/screens:
  - Header with logo, navigation and language selection if needed
  - Start banner with logo, video or image.
  - About us.
  - Mission, vision and values.
  - Photos and/or videos gallery.
  - Contact us with form.
  - Links to social networks or another site.
  - Footer

Will depend on the if they want to remove or add other sections/screens.

- Emails can be sent through the contact form to the email that the client will provide us. These emails have no additional cost.
- The website will be created with animations, a sans serif font and a good color combination to obtain a modern landing page, always paying attention to the client's taste.

## Maintenance

- Free maintenance will be provided for the first 6 months from the delivery of the landing page. Maintenance includes changing texts, images, videos, colors, removing a section/screen or correction of any type, as long as it does not involve adding new sections/screens.
- After 6 months, any change will have a cost separate from that already paid for the landing page.

## Domain and Hosting

- The client will be provided with a domain and a server where the site will be hosted, which will be free for the first year. At the end of the year, you must pay annually the cost of the domain and hosting as applicable. Details of the amounts will be given according to the need of the site (desired name and size of the site).

## Payment methods

- The client may make the corresponding payments in the following accounts:
  - Account in colones Banco de Costa Rica  
xxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxx
  - Account in dollars Banco de Costa Rica  
xxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxx

## Price

- Between \$100 and \$200 will be charged for the redesign of the existing logo. If you must create one, they will be charged between \$200 and \$300.
- An additional \$75 to \$200 will be charged for each extra language you want to add to the landing page. It varies depending on the amount of text on the site.
- An additional \$50 to \$100 will be charged for each extra section/screen required. Varies depending on the complexity and size of information to be presented.

**Base price**

**\$1000**

## Considerations

- To start creating the landing page, the client must pay 50% of the stipulated total.
- In case of canceling the contracting of our services, an assessment of the work already prepared will be made to estimate the amount that will be returned to the client as 50% of the total already paid. If the work already completed exceeds 50% of the total, no refund will be made to the client.
- The client must sign this document to confirm that they agree with everything mentioned above.
